You're warmly invited to a day of nature education, local entertainment, children's activities, and complimentary native fruit tastings. In addition to Serviceberry cake and wine tasting, this year we're offering samples of Elderberry wine made locally from organic American Elderberries grown here at Heartwood. Delicious food from the Dandelion and Thyme food truck will be available for purchase both Friday and Saturday, with ice cream from Perry Dell Ice Cream available Friday afternoon only.

Take a leisurely stroll on a self-guided tour of our Serviceberry and Pawpaw groves, pollinator meadow, and other learning stations at any time during the day. Or come along with Heartwood owner Sue Hunter at 2:00 pm on an educational tour through the Serviceberry orchard and surrounding areas of our beautiful nursery. The walk lasts about an hour and a half, with gentle slopes across the acreage, so wear comfortable shoes!

Also new this year: our Children's Fairie Garden and an expanded exhibitors area, featuring some of our great local conservation partners.

Our retail sales area is abloom -- plan to stop by for many native fruit trees and shrubs, as well as other gorgeous native species and garden decor.

~~~ We look forward to your company during our Summer gathering~~~
